

### 7.2.1 – Describe at least two institutional best practices

1. Admission Assistance with the help of the College Council, whereby different desks are constituted to help students come for admission after completing the higher secondary part. Students work to inform the candidates regarding the salient features of the admission process and the option to opt for a programme and course combination thereafter.
2. Community service by NSS and NCC units of the college is done by adopting villages and slums. Different awareness programmes are organised in the adopted village, viz., Swachhta Abhiyaan, cleanliness drives, and programmes regarding environmental awareness.
- 3 Working on the same lines, NSS volunteers also engage themselves in the facelift of the campus by making and beautifying flower beds and painting tree stems. NSS volunteers, along with NSS Program Officers, do *Shramdaan* within the campus so as to maintain cleanliness and beautify it.
