From the Principal's Desk

It is a matter of pride and honour for all of us at the Govt. College for Women Udhampur to bring out the Annual issue of College Newsletter 'Campus News'.

We all know that a Newsletter mirrors a college-its vision and mission. It also highlights events, activities, academic powers and achievements. "Action speaks

louder and clearer than words". This college of ours has definitely achieved many milestones. The worthy readers will go through activities undertaken in this college that include seminars, symposia, conferences, camps, rallies etc. Our mission is to make our youngsters complete human beings who are the assets and contributors to the society. The students are the ambassadors of ideas and they carry messages in the most effective manner bringing home the real spirit of it and becoming effective tool of social change. We inherited a strong foundation to march ahead. That is why we keep organizing various activities for all-round physical, mental and social levels of our students.

The academic activities concentrate on helping the students to gain an excellent knowledge base. The main focus of this college is to empower students with sound knowledge, wisdom and experience. At present the college runs UG courses in Arts, Science and Commerce to cater the career oriented and life skills of the students.

I have great pleasure in conveying my best wishes for future growth and prosperity of the college and wish the staff and students all success in the years to come.

Editorial

As a routine, I hereby again wish good luck to all the stake holders in this institution through this Annual Edition of College Newsletter 'Campus News'.

'Campus News' serves as a mirror of the Campus giving us insight what we have achieved and what our goal should be. Our institution during the past sessions has given a very positive output and it serves a vast area from Latti to Domail as it is the only Women College of Udhampur District. Apart from good academic achievements of the students, the institution has also exceptionally improved by participating in inter-state NCC as well as NSS events. Our students have represented the College in National event in Republic Day Parade at New Delhi bringing laurels to the whole District.

The growth of this institution has been possible by the active participation of all the stakeholders particularly the teaching fraternity, who deserve compliments for a good tangible progress. Special compliments are due to English Dept. for organizing a two day National Conference on the topic "Multidisciplinary Approach To Gender Studies" under the Convenership of Dr. Rabia Iqbal Mir. This has been possible under the stewardship of our worthy Principal, Prof. Chander Shekhar who always remains ready to support every activity both academic & non-academic, keeping the present competitive spirit in view.

'Campus News' endeavors to inspire the staff and students to set new targets and perform consistently to achieve them. I hope that the institution will achieve much more heights in future too bringing laurels to the J&K State in general and Udhampur in particular. Kindly feel free to write to us in case of any suggestion or improvement.

Kudos to all!

Science Club Reports

Science Club of the College under the Convenership of Prof. B.P. Singh organized various Symposia, Seminars and Poster making competitions in collaboration with J&K State Science, Technology and Innovation Council (JKSTIC)-Udhampur to stimulate the interest of students in learning of Science and motivate the students to develop a scientific outlook and habits of exploration.

INTRA-COLLEGE POSTER MAKING COMPETITION [15-09-2017]:

Science Club of the College organized an intra-College Poster-making competition on the theme “Renewable Energy Sources”. The activity was catalyzed and sponsored by J&K State Science, Technology and Innovation Council (JKSTIC) Udhampur.

The objective of organizing this activity was to spread awareness among the students about various Renewable Energy Sources like solar energy, nuclear energy, geothermal energy, wind

energy, tidal energy etc. District coordinator of JKSTIC, Udhampur Dr. Sanjay Kharoo was also present on this occasion. 35 college students participated in this competition. Prof. Ravinder Kour, Prof. Navita Sharma and Dr. Kewal Kumar of the College were the members of jury to adjudge the performance of students. In this competition Ms. Aakriti Sharma (B.Sc. Sem-Ist), Ms. Devanshi Verma (B.Sc. Sem-Ist) and Ms. Vidushi Bamotra (B.Com. Sem-Ist) were adjudged as 1st, 2nd

and 3rd respectively, whereas consolation prizes were shared by Ms. Prashansa (B.Sc Sem-1st), Ms. Simran Gupta (B.Sc. Sem-Vth) and Ms. Nikita Sharma (B.Sc. Sem-IIIrd).

On this occasion, Principal of the College Dr. Chander Shekhar asserted that the climate change is going on unabated due to industrialization and urbanization and there is dire need that the world should switch over to readily available, safe and environment friendly sources of energy which mainly include Renewable Energy sources like solar energy, wind energy, geothermal energy, tidal energy, biomass energy etc.

District Coordinator, Science, Technology and Innovation Council, Udhampur Dr. Sanjay Kharoo said that such awareness programmes in educational institutions will have far reaching effects in sensitizing the masses about various contemporary environmental problems and to find their solutions. He said that students come from every nook and corner and from every section of society and thus can best propagate the awareness message in the society. At the end, certificates of merit/participation were distributed among all the participants by the Principal of the College and Dr. Sanjay Kharoo.

INTER-COLLEGE SYMPOSIUM ON THE TOPIC OZONE LAYER DEPLETION-CAUSES, EFFECTS AND SOLUTIONS [16-09-2017]:

On the occasion of World Ozone Day, Inter-college symposium on the topic “Ozone Layer Depletion-causes, effects and solutions” was organized to spread awareness among the students about the importance of Ozone layer for living organisms on earth and to find possible solutions for its preservation. The event was catalyzed and sponsored by JKSTIC-Udhampur. Hon'ble MLA Udhampur Sh. Pawan Gupta was the Chief Guest, while Sh. Sanjay Kharoo, District Co-ordinator JKSTIC-Udhampur was the guest of honour.

14 students drawn from various colleges viz. GCW Udhampur, GDC (Boys) Udhampur, GDC Ramnagar, GDC Majalta and Bhaskar Degree College Udhampur participated in the symposium. Prof Ashni Devi from GCW Udhampur, Prof Romesh Atri from GDC Udhampur and Prof. Kewal Kumar from GDC Ramnagar were the members of jury to adjudge the performance of students.

In this competition Ms. Pratiksha of GDC Ramnagar, Ms. Parul Oberoi of GCW Udhampur and Mr. Sakul of GDC

Ramnagar clinched 1st, 2nd and 3rd prizes respectively, while three consolation prizes were shared by Ms. Raganandika of GCW Udhampur, Ms. Divanshi Verma of GCW Udhampur and Ms. Nandani of GDC Ramnagar.

The programme started with lightning of the ceremonial lamp by the Chief Guest and other dignitaries present on this occasion. Earlier, welcome address was presented by Convener of Science Club, Prof. B.P. Singh.

Sh. Pawan Gupta asserted that ozone layer present in the stratosphere protects all the living organisms on earth by absorbing harmful sun's ultra- violet radiations and thus acts as sunscreen of the earth. He said that this layer is depleting due to anthropogenic activities and concerted efforts at global level are required for its preservation. He further stated that such environment awareness programmes in educational institutions have far reaching effects as students are the best ambassadors to sensitize the masses.

In his address, Principal of the college Dr. Chander Shekhar lauded the efforts of the Science Club of the college for organizing such type of activities for spreading awareness about contemporary environmental issues and for overall development of the students. He motivated and encouraged the students for participation in such events.

Dr. Sanjay Kharoo, District Coordinator JKSTIC-Udhampur stated that our Dept. is actively involved in catalyzing and sponsoring different science related activities in educational institutions of Udhampur District to acquaint the students with latest information about various fields of science.

In the end, prizes among the winners and certificate to the all participating students were distributed by Hon'ble MLA Sh. Pawan Gupta, Dr. Chander

Shekhar, Dr. S.K. Kharoo and other dignitaries. Formal Vote of thanks was presented by Dr. Bhavnaish Chand, H.O.D. Physics, while Ms. Aayushi, a student of B.Sc. Sem-Ist conducted the proceedings of the programme.

3. NCC Officers along with NCC cadets visited village Mian Bagh, Udhampur on 17th January, 2018 to sensitize the people living in slums on immunization. They went door to door to aware the people about fighting against diseases through Mission Inderdanush launched by

Govt. of India. The aim of the mission was to provide healthy life through immunization to all the left out children and mothers belonging to poor and downtrodden sections. In India, there exists certain districts where children are still left non-immunized and each year the mortality rate of such children reaches to 50,000 strictly due to non-immunisation. Immunisation increases the immunity of

children to various diseases like TB, Polio, Rola virus, Measels, Mumps, Tetanus, Pneumonia etc. They advised them to immunize their children by approaching nearby health centres.

4. Under the able guidance of Principal Dr. Chander Shekhar, NCC Cadets along with NCC officers Prof. Poonam Rajput and Prof. Sumita Rao visited old age and orphanage home on

20th Jan., 2018. The aim of the visit was to inculcate the sense of selfless service in the cadets towards the old age people and orphans. Before leaving for the old age home, Principal addressed the cadets that selfless service is the only service where one can find the mental peace and pleasure. The pleasure derived from the service of parents, olds, poor, patients, nature and animals is one of its kind and is incomparable with all other pleasures. They also carried with them edibles and toys for the orphans. Cadets became very

emotional by listening the life experiences of the inmates of old age home and decided to serve the old throughout their lives and also to spread the message of selfless service for mankind.

5. A rally of NCC Cadets along with NCC Officers Prof. Poonam Rajput and Prof. Sumita Rao was flagged off by Principal Dr. Chander Shekhar Principal of the College on 9th Feb., 2018 to make people aware about the vaccination which will fight against the diseases like T.B, Polio, Rota Virus, Measles, Mump, Tetanus, Pneumonia etc. NCC Cadets visited village Dibber, Udhampur to sensitize the slums on Immunization. A skit was also presented by the group of cadets under the mission “Indradhanush” launched by Govt. of India, where they advised the localities to immunize their children by approaching the nearby health centres.
