

Report on Feedback Received

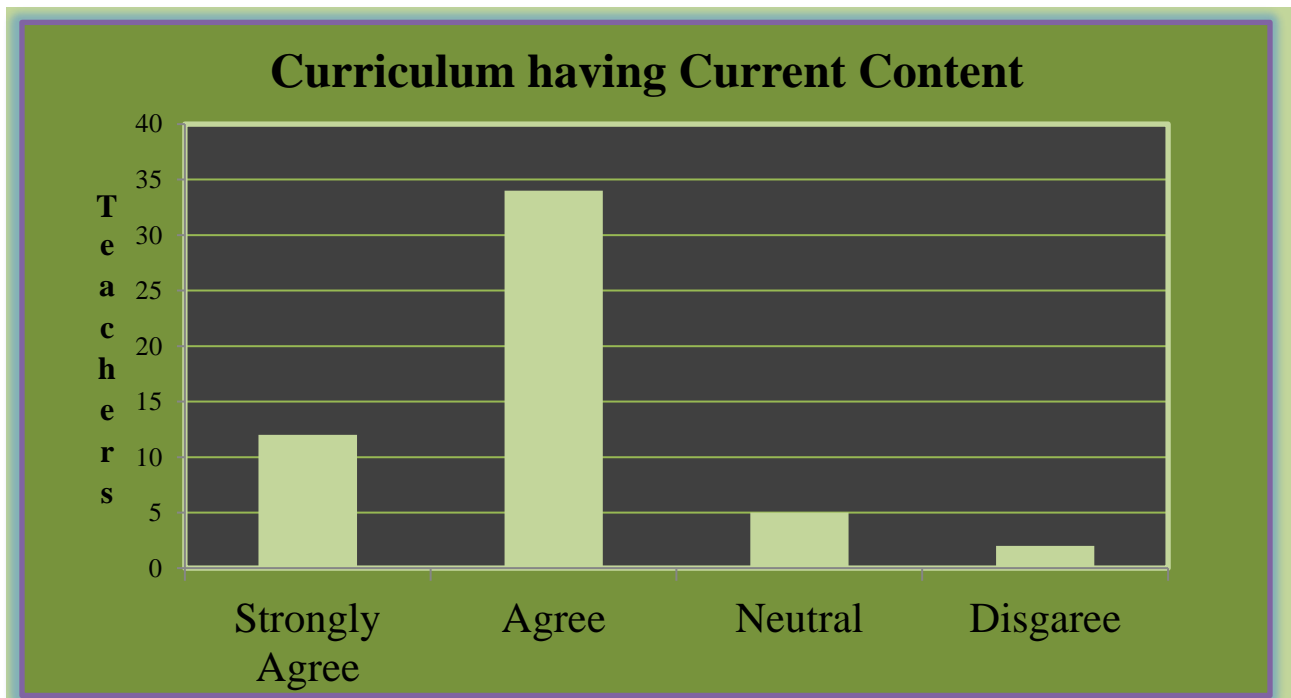

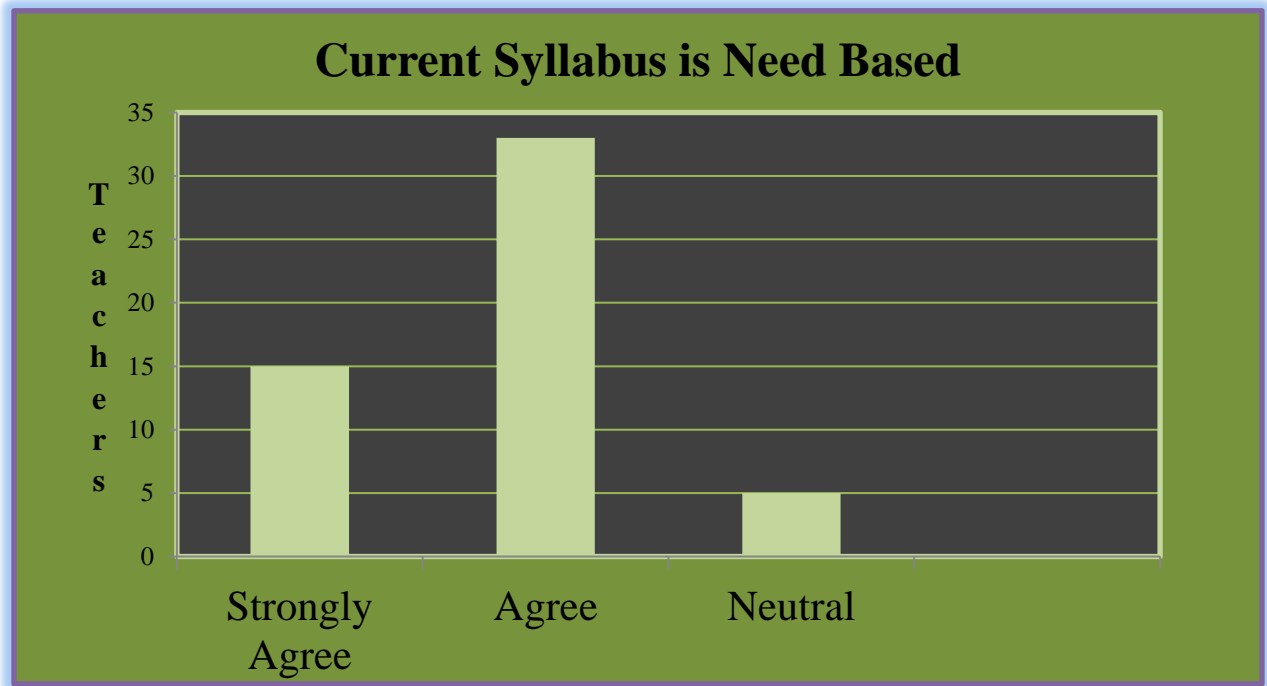

Year	Stakeholder	Structured feedback of curriculum received and analysed	Action Taken
2014-15	Students	Feedback was received with the help of a structured questionnaire constituting of questions regarding curriculum of a given course. The feedback was sought regarding the need and necessity of the curriculum in the present scenario and how it takes care of the employability aspect in a given programme.	Based on the suggestions received from the students for curricular improvement a report is being designed at departmental level. The report thereafter is being forwarded to the concerned board of studies of the affiliated university. HOD's of each department being a member of BOS put the suggestions as per the requirement of the institute at the time of BOS meetings.
2015-16	Students	With the introduction of Semester System the whole structure of the syllabi has been restructured to fulfil the requirements of a semester. The students have responded positively to the change as course curriculum has been rationalized. The course content is also adequate to meet the future challenges. The introduction of home assignments in the course curriculum has been welcomed by the students as it made them to undergo a different and innovative mode of evaluation. However it was suggested by the students that library holdings and extra learning avenues are inadequate in few of the courses.	The feedback received from the students was discussed by the concerned committee and suggestions regarding library holdings were forwarded to the Library committee for necessary action. Suggestions regarding extra learning avenues were taken into account and forwarded to Board of Studies of the affiliated University.
2017-18	Students	With the introduction of Choice Based Credit System the whole structure of the syllabi has been	Suggestions of students, faculty and other stakeholders regarding syllabus reviewal were

		<p>changed to new predicaments whereby generic and skill development courses have been introduced as one of the mandatory components of the curriculum. Going by the feedback, few of the students find the contents of curriculum new and coherent with the need of the present times. A reasonable number of students agree that the employability of the given courses is inadequate. However the need for Consistent reviewal of the syllabi was felt by the students.</p>	<p>forwarded to Board of Studies of affiliated university. Faculty members serving in this particular institution are associated with different bodies of the affiliated university and improvements in curriculum are also taken up by heads of different departments in scheduled meetings of BOS of the affiliated university.</p>
	<p>Teachers</p>	<p>By and large faculty members agree that syllabi are outcome based and suffice the need of the present times. However continual updating of syllabi is required through respective Board of Studies.</p>	
	<p>Alumni</p>	<p>During the meeting of alumni, some alumni have expressed the interest in certificate courses/add-on-courses/ job oriented course implementation in the institute. According to analysis of Alumni feedback, it was observed that the current syllabus is carrier oriented and suggested for enhancement of student's communication skills.</p>
