MINUTES OF THE MEETING

A meeting of the Women Development Cell was held in the office of the worthy Principal, Dr. Chander Shekhar on 12-10-2017 regarding the complaint of students of BSc. Sem-III against Mr. Zahoor Ahmad Lecturer in Zoology for which the said teacher was served a notice yesterday to explain his position.

He submitted his reply today to worthy Principal Sir, in which he has written that there was no intention to hurt the feeling of my students of any community and even if something wrong has been said during the course of lecture, I feel highly sorry and has assured the worthy Principal that such kind of behaviour would not be repeated in future.

In this meeting it was decided that in future the teacher should restrict his lecture to the syllabus and should not relate the topic with any religion as it may hurt the sentiments of the students and also use proper language.

The committee has unanimously decided that the teacher may be given a chance to improve his behaviour with the warning to not repeat these things in the class in future. Also HOD Zoology may be directed to make an alternate arrangement of teacher for that class and shift the teacher to another class. Hence the report is submitted to worthy Principal for necessary action.
