

## NEWS LETTER 2014-15

pilgrims in the area. The students enjoyed the boating in the lake, visited wild life sanctuary housing jungle life like Spotted Deer, Neelgai etc. and enjoyed the beauties of nature. The students also had a glimpse of Sheshnag, a mythological snake with six heads.

### Activities of IQAC

#### **WORKSHOP ON SMART TECHNOLOGIES [30-10-2014 to 03-11-2014]:**

Five day Workshop on Smart Technologies was organized by the IQAC of the College under the able guidance of Dr. Bhavnash Chand IQAC Coordinator. Twenty five

teaching staff members of the institution attended the workshop. At the inaugural session, Prof. K.S. Koushal Principal and Chairperson of IQAC of the College impressed upon the need for the application of Smart Technology to the class room teaching and encouraged the faculty members to attend such type of workshops with sincere spirit and enthusiasm.

Ms. Ruhi Sharma and Mr Vijay Kumar, Teaching Assistants of Computer Science Dept. were the resource persons. During the workshop, the participants were exposed to the working of Interactive panel for Smart class room teaching. A complete overview of Power point presentation, Formatting, Devices installation, Internet Browsing and E-mailing skills were imparted. The participants had healthy interactive sessions with the resource persons. At the concluding ceremony, Principal stressed on the need of organizing such type of workshops in future also to update the faculty members and make them technologically rich in this era of Information & Communication Technology (ICT).
