CONSULTATION MEET REGARDING ON NATIONAL EDUCATION POLICY [05-11-2016]:

This year for the first time in history of MHRD that inputs were taken from the stakeholders at gross root level regarding the formulation of new National Educational policy. In this regard a consultation meet was held in the College Campus wherein BDO's, Retd. ZEO's, Educationists and stakeholders from Block Majalta, Block Ghordi, Block Chanunta & Block Khoon participated. Consultation was taken from them on the

basis of questionnaire provided on various themes viz. Improving State Public Universities, Integrating Skill Development in Higher Education, Addressing Regional Disparity, Bridging Gender & Social Gaps and Linking Higher Education to Society. Majority of the participants in the meet were of the opinion that Autonomy should be provided to the Colleges as it will provide them the freedom to determine and prescribe

their own course of study & syllabi, prescribe rules for admission. It will also provide freedom to evolve methods of assessment of students work, conduct of examinations and notification of results in shortest possible time. Administrative autonomy will provide the Principals to take certain decisions without the approval of Administrative Department.

Regarding fee structure, participants recommended that poor students on the basis of financial/merit status should be exempted from the payment of fees or at least they should get some concession in fees. Regarding skill development in Higher Education, there was unanimous recommendation that skill based courses should be

made part of regular courses to increase employability. On Bridging Gender and social Gaps issue, majority were of the view that financial assistance, hostel facilities and scholarships should be given to the students from deprived classes so that they may complete their studies at

College level. On the theme Linking Higher Education to society, participants were of the view that students can contribute to the community by giving free coaching to the junior students during summer/winter vacations. Students can help the poor and needy students after being employed. They can also act as mentors for their juniors to guide them. Suggestions given by the participants were compiled by Dr. Bhavnaish Chand, Prof. Sudhir Singh, Dr. Ashok Kumar, Dr. Mool Raj, Prof. Brinder Singh and Prof. Sanjay Kumar and were sent to J&K Govt. as well as to the District Development Commissioner Udhampur to be discussed at District level consultation meet regarding New Education policy.
