

Institutional Core Values

Empowerment, Enlightenment and Emancipation of Women Folk

We are committed to contribute for Empowerment, Enlightenment and Emancipation of women folk through inclusive education. We want to leave no stone unturned in building an atmosphere which is conducive for the education in particular and overall development of the personality of women in general.

Ethics and Integrity

We are committed to inculcate values amongst students with the coherence of building moral integrity which is instrumental in building just characters in the society.

Community Engagement

We continuously endeavour to encourage our students for societal engagement and put in perseverant efforts to see the coherence between classroom teachings and its praxis in the society. In turn, it helps to make lifelong learners who act as vanguard of educational equity in the society.
